Dear Friend of the YMCA,

On Friday, November 16, 2018 the Lakewood Family YMCA will host its 35th Annual Children's Charity Auction and Dinner at the Centre at Sycamore Plaza in Lakewood, California. Proceeds from this event support YMCA youth in Lakewood and surrounding communities. With the help of individuals, businesses and corporations like yours, this event allows us to raise funds to be able to give over \$150,000 in financial assistance to children and families annually. **Help us continue to make a difference!**

You can support this fantastic event in several ways, let your HEART lead the way..

- **Be an Event Sponsor!** Select from several sponsorship opportunities such as a Presenting Sponsor, Banquet Sponsor Silent and/or Live Auction Sponsor and much more! All sponsorship levels include special recognition, promotion and reserved seating for dinner. Please see attached contribution form for all levels of sponsorship.
- **Donate an item for the event!** Contribute an auction or raffle item, gift basket, gift cards/certificates, hotel stay or admission passes for the event. Any size and/or amount will make a difference! All contributors are listed in the event program; please see enclosed contribution agreement.
- **Attend the 35th Annual Children's Charity Auction and Dinner!** Buy a table of ten and bring your family, friends and colleagues to this fun night! If you cannot attend, please consider purchasing a table as a donation and make it possible for youth to attend in your honor!!
- **Send a Kid to Camp!** For each \$100 tax deductible donation, your contribution will support sending a kid to Camp Oakes in Big Bear for 7 days! Not only is it fun, it's life changing!

Proceeds from your support will help children learn to swim, play basketball, attend summer camp and afterschool academic enrichment programs at the Lakewood Family YMCA. Just complete the attached contribution agreement form and return it to:

**Lakewood Family YMCA
Attn: Auction Committee
5835 E. Carson Street
Lakewood, CA 90713**
